

See what credit unions are saying about our software

The best thing about OnBase is...

SIMPLICITY

“Allowing employees to see all member related documents in one click.”

-Wende Tressler
Midwest Community Federal Credit Union

“Workflow. We use workflow to maintain control of processes, provide audit trails and simplify everyone’s jobs.”

-Jeremy Taylor
Air Academy Federal Credit Union

“The ease of configuration. Anyone can do it.”

-Regina Nascibenne
IBM Southeast Employees’ Federal Credit Union

“The ease of use and configuration.”

-Phil McDonald
3 Rivers Federal Credit Union

“I can make jobs easier. I like that I can help people and make their lives easier at work.”

-Denise Erickson
Ideal Credit Union

SCALABILITY

“It is powerful software, with large scalability, easy deployment and quick implementation time.”

-Daniel Arreola
Florida Credit Union

“It gives you the ability to cleanup data before and after importing. Being able to build your own custom preprocessor is an invaluable skill that makes COLD and DIP processes incredibly reliable.”

-Mark T. Langr
Tower Federal Credit Union

“The ease of deployment across multiple departments to optimize or automate processes.”

-Kelly Gustafson
Redstone Federal Credit Union

IMPROVABILITY

“The flexibility.”

-James Lemus

Farmers Insurance Group Federal Credit Union

“Having the flexibility to design solutions without needing a whole new system.”

-Russell Sumner

Entrust Financial Credit Union

“How customizable everything is. No matter what solution is needed, I can confidently say that OnBase can do it.”

-Chris Appleton

Redstone Federal Credit Union

“It’s like playing the game Minecraft. I can build just about any solution I can imagine from its set of relatively simple building blocks.”

-Kristen Holmes

Telhio Credit Union

“Dedication to innovation and integration.”

-Kevin Butler

Florida Credit Union

“The OnBase API. As a developer, I always want to integrate things so systems work together. Hyland does a good job developing solutions that don’t require (custom) coding.”

-Kevin Anderson

Air Academy Federal Credit Union

“Hyland! You have a team that’s passionate about OnBase, dedicated to its customers, and committed to advancing the technology!”

-Erika Smith

3 Rivers Federal Credit Union

“It works! Unlike other software products we use, OnBase consistently exceeds our expectations for solving business problems by providing exceptionally high-quality software and outstanding tools.”

-Elizabeth Hershey

DFCU Financial

“The ever-changing enhancements.”

-Nicole Bourne

United Federal Credit Union
